

Curriculum Vitae

EDUCATION

B.A., Biology, University of Rochester, 1973

Ph.D., Anatomy (and Neuroscience), Georgetown University School of Medicine, 1979

TEACHING, RESEARCH, AND ADMINISTRATIVE POSITIONS

- 2012-pres. President Emerita, Massachusetts Institute of Technology
- 2012-2013 Marie Curie Visiting Professor, Harvard University, John F. Kennedy School of Government
- 2004-pres. Professor of Neuroscience, Massachusetts Institute of Technology
- 2004-2012 President, Massachusetts Institute of Technology
- 2003-2004 Provost, Yale University
- 2001-2004 William Edward Gilbert Professor of Neurobiology, Yale University
- 1998-2002 Dean, Yale University Graduate School of Arts and Sciences
- 1994-2004 Professor, Yale University School of Medicine, Department of Neurobiology
- 1991-1994 Associate Professor (tenure), Yale University School of Medicine, Section of Neurobiology
- 1989-1991 Associate Professor (term), Yale University School of Medicine, Section of Neurobiology
- 1986-1994 Director of Graduate Studies, Yale University School of Medicine, Section of Neurobiology
- 1985-1989 Assistant Professor, Yale University School of Medicine, Section of Neurobiology
- 1982-1985 Senior Staff Investigator, Cold Spring Harbor Laboratory
- 1980-1982 Junior Staff Investigator, Cold Spring Harbor Laboratory
- 1979-1980 National Institutes of Health (NIH) postdoctoral fellow, University of California, San Francisco,
Department of Anatomy and Neuroscience Program

BOARD MEMBERSHIPS

- Belfer Center for Science and International Affairs, Board of Directors, member, 6/2013-present
- Boston Symphony Orchestra, Board of Trustees, member, 9/2014-3/2019
- Carnegie Corporation of New York, Board of Trustees, member, 9/2006-12/2014
- Charles Stark Draper Laboratory, Board of Directors, member, 10/2018-present
- Council on Foreign Relations, Board of Directors, member, 7/2014-6/2019
- Fidelity Non-Profit Management Foundation, member, 6/2017-present
- General Electric Company, Board of Directors, member, 12/2006-4/2018
- Massachusetts Institute of Technology, Corporation, life member, 7/2012-present
- Partners HealthCare System, Board of Directors, member, 12/2015-present
- Qualcomm Incorporated, Board of Directors, member, 7/2012-3/2016
- World Economic Forum, Foundation Board, member, 1/2008-9/2012 and 9/2014-5/2016

PROFESSIONAL SOCIETIES

- American Academy of Arts and Sciences, Fellow
- American Association for the Advancement of Science, Fellow
- Council on Foreign Relations, Life Member
- Society for Neuroscience, Member

AWARDS AND RECOGNITION

2019 Charles L. Branch BrainHealth Award, San Francisco, 2019
Advocacy Honoree, American Cancer Society Cancer Action Network, Boston, MA, 2019
Geoffrey Beene Builders of Science Award, Research!America, Washington, DC, 2019
The Helen Gurley Brown Presidential Summit on Women and Science Keynote Speaker, Dana-Farber Cancer Institute, Boston, Massachusetts, 2018
Doctor of Humane Letters (*honoris causa*) degree, Georgetown University, 2018
22nd Annual Link Lecture, Institute of Cancer Research and The Royal Marsden, London, United Kingdom, 2018
2017 Celia White Tabor Lecture, Massachusetts General Hospital, Boston, Massachusetts, 2017
Doctor of Science (*honoris causa*) degree, Northeastern University, 2016
Doctor of Humane Letters (*honoris causa*) degree, Duke University, 2014
Arnold D. Kates Lecture, Bowdoin College, Brunswick, Maine, 2014
Edwin L. Godkin Lecture, Harvard University Kennedy School of Government, Cambridge, Massachusetts, 2014
Doctor of Science (*honoris causa*) degree, University of Massachusetts Medical School, 2013
Doctor of Science (*honoris causa*) degree, University of Rochester, 2013
Pinnacle Award for Lifetime Achievement, Greater Boston Chamber of Commerce, 2013
American Academy of Rome, Carnegie Corporation/Vartan Gregorian Affiliated Fellow, 2012
Association of Alumni and Alumnae of the Massachusetts Institute of Technology, Honorary Member, 2010
Edison Achievement Award, 2010
Royal Irish Academy, Honorary Member, 2010
Doctor *honoris causa* degree, University Pierre and Marie Curie, Paris, France, 2010
Doctor *honoris causa* degree, jointly awarded by the New University of Lisbon, the Technical University of Lisbon, and the University of Porto, Portugal, 2009
America's Best Leaders 2009 honoree, *U.S. News & World Report* and the Center for Public Leadership, John F. Kennedy School of Government, Harvard University, 2009
Citation Award, Midwest Research Institute, 2009
Doctor of Science (*honoris causa*) degree, University of Edinburgh, Scotland, 2009
Doctor of Science (*honoris causa*) degree, Mount Sinai School of Medicine, New York University, 2009
Council on Foreign Relations, Life Member, 2007
Doctor of Science (*honoris causa*) degree, Brown University, 2006
Doctor of Science (*honoris causa*) degree, Cold Spring Harbor Laboratory, Watson School of Biological Sciences, 2006
Honorary doctorate degree, Tsinghua University, China, 2006
Amelia Earhart Award, Women's Union, 2005
Golden Plate Award, Academy of Achievement, 2005
American Association for the Advancement of Science, Fellow (neuroscience), 2005
Sheffield Medal, Yale University, 2004
Meliora Citation for Career Achievement, University of Rochester, 2003
Wilbur Lucius Cross Medal, Yale University Graduate School, 2003
M.A. (hon.), Yale University, 1994
Charles Judson Herrick Award, American Association of Anatomists, 1987
Grass Traveling Scientist, Society for Neuroscience, 1987
Esther A. and Joseph Klingenstein Fellowship in the Neurosciences, 1985
PHS Postdoctoral Research Award, National Institutes of Health, 1980

PROFESSIONAL AND NATIONAL SERVICE ACTIVITIES

- 10/2019-present MIT Energy Initiative, External Advisory Board, member
 2/2018-2/2019 American Association for the Advancement of Science, chairman 2018
 12/2017-present Cancer Research Centre of Excellence, London, Scientific Advisory Board, member
 7/2017-present Brigham & Women's Hospital, Boston, Scientific Advisory Board, member
 2/2017-2/2018 American Association for the Advancement of Science, president 2017
 6/2016 "Convergence: The Future of Health," report co-chair with Phillip Sharp and Tyler Jacks
 2/2016-2/2017 American Association for the Advancement of Science, president-elect 2016
 9/2014-1/2016 World Economic Forum, Forum Academy, chair
 5/2014-11/2015 Commission to Review the Effectiveness of the National Energy Laboratories, U.S. Department of Energy, member
 1/2014-2016 David Geffen School of Medicine, UCLA, Scientific Advisory Board, member
 2/2013-5/2014 Key Challenge Areas for Convergence, Committee of the National Academies, member
 11/2012-11/2013 U.S. Science Envoy, U.S. Department of State
 2/2012-6/2012 Sorbonne University Strategy Committee, member
 6/2011-10/2012 Advanced Manufacturing Partnership Steering Committee, Co-Chair, sponsored by the Executive Office of the President of the United States
 12/2010-7/2012 WGBH Educational Foundation, Inc., Board of Trustees, *ex officio*, Institutional Trustee
 7/2009-7/2012 Eli and Edythe L. Broad Institute of MIT and Harvard, Board of Directors, *ex officio*, member
 5/2009-3/2012 Zayed Future Energy Prize, member of the Jury
 2/2009-7/2012 Ragon Institute of MGH, MIT, and Harvard, Governance Board, *ex officio*, member
 1/2009-1/2012 The Climate Group, Leadership Council, member
 7/2008-11/2008 Association of American Universities (AAU), Task Force on the 2008 Election, member
 8/2007-7/2012 Association of American Universities (AAU), Advisory Task Force on Indirect Costs, member
 7/2007-3/2012 Broad Prize for Urban Education, Selection Jury, member
 7/2007-3/2009 Carnegie Corporation of New York – Institute for Advanced Study (IAS), Commission on Mathematics and Science Education, member
 5/2007-7/2012 Council on Foreign Relations, Higher Education Working Group on Global Issues, member
 5/2007-5/2009 Council on Competitiveness, Energy Security, Innovation and Sustainability Initiative Steering Committee, member
 5/2007-8/2009 National Math and Science Initiative, Inc., Board of Directors, member
 2/2007-4/2012 Massachusetts General Hospital, Scientific Advisory Committee, member
 1/2007-7/2012 Massachusetts Life Sciences Collaborative Leadership Council, Co-Chair
 2006-7/2012 European Humanities University, International Support Committee, member
 7/2006-11/2006 Republic of Singapore, Research, Innovation, and Enterprise Council, member
 5/2006-7/2012 Woods Hole Oceanographic Institution, *ex officio*, Corporation member
 2/2006-2/2007 Universities Research Association, Council of Presidents, Chair
 2005-2008 United States Department of Justice, National Security Higher Education Advisory Board, member
 2005-2007 Cogito.org, Board of Advisors, member
 2005-2006 Association of American Universities (AAU), Task Force on Interdisciplinarity, member
 3/2005-7/2012 Council on Competitiveness, Executive Committee, member
 2/2005-2/2006 Universities Research Association, Council of Presidents, Vice-Chair
 1/2005-7/2012 Lord Foundation of Massachusetts, Class B Director
 2004-2007 Association of American Universities (AAU), Task Force on Export Controls, member
 2002-2004 National Institutes of Health, National Advisory Neurological Disorders and Stroke Council, member
 2002 Council of Graduate Schools, Member of the Board
 2002 Association of Graduate Schools, Executive Committee, member

- 2000-2004 American Association for the Advancement of Science (AAAS), Section of Neuroscience, Member-at-Large
- 1999-2002 Human Frontier Science Program, Council of Scientists, member
- 1998-2004 Cold Spring Harbor Laboratory, Board of Trustees, member
- 1997-2002 James S. McDonnell Foundation, Brain Cancer Advisory Panel, member
- 1997 Gordon Conference on Neural Plasticity, Chair
- 1997-1999 Astra Pharmaceuticals, Neuroscience Advisory Board, member
- 1996-2002 Calvin Hill Day Care Center and Kitty Lustman Findling Kindergarten, Board Member
- 1996-2000 Hereditary Disease Foundation, Scientific Advisory Board, member
- 1995 Gordon Conference on Neural Plasticity, Co-chair
- 1994 *NeuroImage*, Editorial Board, member
- 1993 *Learning and Memory*, Editorial Board, member
- 1992-1996 *Neuroscience Protocols*, Editorial Board, member
- 1992-1996 Society for Neuroscience, Councilor
- 1991-1995 Hereditary Disease Foundation, Scientific Advisory Board, member
- 1990-1995 *Cerebral Cortex*, Editorial Board, member
- 1989-1991 Society for Neuroscience, Short Course on Basics of Molecular Biology for Neurobiologists, organizer
- 1988-1994 *Journal of Neuroscience*, Editorial Board, member
- 1988-1992 National Institutes of Health, Study Section, Visual Sciences B, member
- 1988-2002 Haskins Laboratory, Board of Directors, member
- 1988-2002 Yale-New Haven Teachers Institute, University Advisory Council, member
- 1985-1997 Cold Spring Harbor Laboratory, Summer Neurobiology Program, Program Director
- 1985 Cold Spring Harbor Laboratory, Course on Molecular Cloning of Eukaryotic Genes, participant
- 1984-1986 Cold Spring Harbor Laboratory, Course on Immunoglobulins: Molecular Probes of the Nervous System, organizer
- 1983 Society for Neuroscience, Short Course on Molecular Approaches to the Nervous System, organizer
- 1981 Society for Neuroscience, Short Course on New Approaches in Developmental Neurobiology, instructor
- 1981 Cold Spring Harbor Laboratory, Course on Neurobiology of the Leech, participant
- 1979- 1980 Cold Spring Harbor Laboratory, Pain Workshop, participant

PATENTS

- U.S. Patent 5,635,370. Filed 4/8/94; issued 6/3/97. "DNA encoding BEHAB, a brain hyaluronan-binding protein, and recombinant expression systems for production of BEHAB polypeptides."
- U.S. Patent 6,884,619. Filed 7/16/02; issued 4/26/05. "Inhibition of BEHAB cleavage and primary central nervous system (CNS) tumors."
- U.S. Patent application 20030068661. Filed 4/10/03. "Inhibition of BEHAB cleavage and primary central nervous system (CNS) tumors."
- U.S. Patent application 20030224976. Filed 12/4/03. "Compositions, methods and kits relating to BEHAB and primary CNS tumors."
- U.S. Patent application 20060166290. Filed 7/27/06. "Primary central nervous system tumor specific BEAB isoforms."
- U.S. Patent application 20090117595. Filed 5/7/09. "Primary central nervous system tumor specific BEHAB isoforms."
